Pentair to showcase Hoffman and Steinhauer at SPS IPC Drives, hall 5 booth 309

STRAUBENHARDT – Pentair, a leading manufacturer of equipment protection solutions, will exhibit products and capabilities from two of its trusted brands, Hoffman and Steinhauer, at SPS IPC Drives, from November 28- 30, in Nuremberg, Germany.

At the exhibition, Pentair will feature industrial cabinets, wall-mounted enclosures and cooling solutions from Hoffman. Additionally, with Steinhauer, Pentair will provide demonstrations for modifications and automation with the machining center "ModCenter," the personal wiring assistant "PWA," and the cutting table for cable ducts and mounting rails "NC-Cut" .

Hoffman will also show enclosures out of the "Inspire Your Business" program. The aim of this program is to serve the customer with products on stock and short delivery times. A request for quote will be answered within four hours by the Hoffman team and the needed enclosure will be delivered in three working days (according to the location). This program is supported by the centralized Hoffman distribution center in Poland.
